An estimated 1,574,700
State and Federal correctional facilities
at yearend 2013
Increased 48.8%

Internet Crime:
Nationwide statistics; may not reflect regional or local market demand and other economic factors.

There are growing opportunities for Criminology and Criminal Justice professionals in a variety of government and private positions.

A Career in Criminology and Criminal Justice

By integrating the knowledge acquired in the discipline of sociology with a range of other subjects, including law enforcement, courts and security, a combined curriculum of Criminology and Criminal Justice can be both academic and professional.

A property crime occurred every
3.5 seconds
A violent crime occurred every
26 seconds

Criminology
• study of crime and criminal behavior
Criminologists examine all aspects of crime, including the why, how, where and when criminal acts occur, to provide insight on prevention and rehabilitation.

Criminal Justice
• Learn more about the many components of law enforcement, including policing, courts, correction and security.

In 2012
in 10% of violent crime victims
received assistance from a victim service agency

A 52% increase
in FBI estimates and commodities fraud investigations since 2004
